"Family LINKS Program" Linking Information to help Nurture, provide Knowledge and Support

Family LINKS is a support being offered to our families. Sometimes we all have thoughts, concerns or questions around child development or other topics. Unfortunately, we are not always sure what is available or how to go about getting support. Family LINKS will give you a chance to talk one on one with a designated staff person to help point you in the right direction. Please call the office for an appointment.

Please Note:

Any changes to our programming will be posted on our Facebook page, as well as, on the website calendar.

****Please do not take pictures during our programs, we you do not have permission to photograph other children**

****We are asking that you please limit the use of cell phones and scented products.**

****If the weather is not suitable for outdoor play, we will have regular playgroup at the Centre.**
